Hongkong: March 29th, 1803.

TELEGRAM published in the Australian April. papers states that the boundary dispute be-Great Britain':-Nanking, 1812, Tieutsin, tween France and Siam is to be referred to arbitration. A Router's direct telegram dated a day or two earlier informed us that M. DEVELLE, the French Foreign Minister, in replying to a deputation, stated that no that instructions had been sent to the French Great Britain, 1858, Trade Convention, 1866, Minister in Bangkok to remonstrate against within a day or two of this declaration by the French Foreign Minister an agreement was arrived at to refer the matter in dispute to arbitration there is every reason

solution of the difficulty has been adopted.

Writing on the boundary question on the 11th inst. the Bangkok Times, which may be regarded as an inspired organ, said that the Siamese Government, "to remove "at once all occasions or pretexts for con- will be equally convenient for the Bank Manager "flicts on the boundaries, have themselves tion Act; Regulations for the Consular proposed a modus vivendi whereon negotiations are now pending; they propose at the same time to take actual possession. "as a basis for the definite settlement of "boundaries, being prepared, however, to to accept seats?" At Shanghai the ratepayers 'abandon beyond the line of occupation 'such tracts of country as shall be proved "case of further disagreement, to accept inway the price remains the same, notwithstanding "ternational" arbitration." That France attend the meetings? Mr. Ede is pretty regular, however, rather surprising, and we must confess ourselves sceptical as to the correctness of the telegram in the Aus. tralian papers. When France is dealing self she is inclined to place her own in. members, as there are in the Sanitary Board. The terpretation on what she is pleased to term form the western boundary of Annam proper | enlarge its membership and its functions? being a sort of no man's land in which there

"certain, French commissioners were very

ties. There was then no question of the States, otherwise where would have been the utility of exploring regions far beyond she has until recently exercised no effective control over the territory in question, has of the old corps. no doubt looked upon it as theoretically under her dominion; Annum possibly may equally rôle of protector of the latter, now asserts. her claims. The case is eminently one for arbitration if the parties concerned can agree

to that form of settlement.

Torrace to-day has been postponed until Tuesday | that times next at 2.30 p.m. at their sales rooms. The N. P. Company's steamer Tacouta sailed

from Victoria, B.C., for Hongkong via Japan ports on Sanday, March 20th, and the Mogal The purest ingredients only are used, and the sailed from Yokohama yesterday morning for Victoria, B.C., and Tacoma.

> agent of the Messageries Maritimes to the effect that the Company's afender Haiphong had gone so in become gas consumers if the price was not ashere in the Hainan Strait, Messrs, Shewan prohibitive. & Co. also received a wire stating that the Krim was ashoro in the same place. may both have been floated without aid.

the full amount allowed for Packages and Emp- oises Chronicle: "San Jase, February 26.—"I connection with one local politics that would be firm of Donglas Lapraik & Co., died at the purely commercial body like the Chamber. Hotel Vendome this morning. He came from China by the last steamer to visit it is mother who resides in London, England. He had suffered from diabetes for years. He visited D Monte, was taken sick there, and took the train Saturday. He became worse suddenly and it was thought best to take him from the train here. He was removed to the Vendome and Dr. Pierce was called, but the sick man sank rapidly and expired this morning. The body will be embalmed. A cable message was sent to the it adds much to a constable's reputation, or firm and an answer is expected to-day."

The report of the Shaughui Gas Co. for last year states :- " The net profit for the year, taking the usual ordinary items. is Tls. 50.854 71 but the directors have thought it advisable to allow Tls. 2,500 as the probable loss by the New Oriental Bank Corporation. Limited, thus reducing the amount to Tls. 48.35471, from which most be ileducted Ils 12,000 dividend for the half year ending June 30th, 1892, paid in July last, and Tls. 19,350.52, written off for depreciation on land, buildings, plant, etc. The balance in the daily expectation of a warm and grateful carried forward to new account is Tls. 24.641 41 out of which the dividend for the six months ending December 31st, 1892, was paid in forthcoming. Hope deferred maketh the heart January last." The report further states :highly satisfactory, being 7.2 per cent. not includ. surprise, the unofficial contingent will remit ing the French Sattlement; this is the largest gracions word of thanks to the gentlemen whose percentage in any year, with one exception, since | horonlean efforts resulted in their tendering such district the percentage of increase there is a port. naturally greater than in the older distric' and

the directors hope for a still further expansion in that quarter. The consumption among the per 1,000 cubic feet. In Hongkong the price is far from being the cuss.

REUTER'S TELEGRAMS:

SUPPLIED TO THE "DAILY PRESS." SINGAPORE, 27th March, HEALTH OF LORD SALISBURY. The Marquis of Salisbury's health has suff ciently improved to admit of his going to Hatfield. He proposes being in Belfast on the 23rd

SUPPORTING THE UNION. Mr. A. J. Balfour also, proposes visiting Ire land, and will be present at a great Unionist demonstration to be held at Belfast on the 4th of

UCCASIONAL NOTES. One of the things that might be better managed in Hougkoug is the regulation of the chair | that political discussions, however interesting, truffic on theatre nights. Perhaps a Municipal are likely to off and not a few, and if the Society Conucil might be able to do something for us in lean keep in the less hanted atmosphere of literary. this direction As soon as the performance is social, and scientific subjects its work is more opportunity had been neglected of asserting over and the audience begin to come out there likely to be commended. Brench rights on the Mekong frontier and is a wild rush of chairs causing appropance and inconvenience to everyone. Order can be preserved if it is thought worth while. When constable on the Bowen Wood the other night a ball or reception is given at Government House has raised a good deal of discussion across the Siamese incursions on French territory. If there are almost as many chairs in waiting, both tiffin table, and opinion seems very widely dividprivate and public, as there are at the theatre, but on those occasions due order is kept by the be relied upon, and as to whether we should Police and the chairs wait quietly in line.

laid from the Hongkong and Shanghai Bank to the steps leading to St. John's Place, which going across to tiffia. Are these Mr. Cooper's ideas of "the more important street crossings in the city?"

Supposing it were decided to establish Municipal Conneil in Hongkong would a sufficient number of capable citizens be found willing have to manage their own affairs, because there is no one also to do the work for them. But in never possible to get a querum.

Perhaps what would best meet the require ments of the Colony would be a semi-official unofficial members would have the power of mak-

> The promotion of Mr. G. South, R.N., to be dief bostswain of the first will be a matter of great satisfaction among all who know the genial bo'san of "HMS Albacore." Apart from his professional ability, which. I believe, is held to be of a high order by naval men, Mr. South's personal qualities are such that we all wish him well, and are glad when success crowns his efforts. He is an excellent comedian, sings a capital song in onpital style; and is as good company as one is likely to meet in more than opaday'a marok.

> The "Odd Volumes" are to discuss next Wednesday evening-in the tranquil atmosphere of "social features" I presume—the question of the relative merits of Life in the East and Life in the West. It is an easy subject and one which encourages any amount of interesting debate, and, as there is no political element in i there ought to be a large and representative meeting. I am inclined to think, by the way,

The somewhat ladicrons experience of the Sikh ed as to whether the Sikh's native sagacity can really believe a tiger haunts the peaceful and picturesque neighbourhood of Bowan Road. The Director of Public Works says in his ro- The numberless stories which have been cirport that "gravite paving has been laid at some culated during the last few months as to the to be gratified that such a sensible of the more important street crossings in the presence in various directions of a dangerous city." One crossing has been laid between the beast must surely have some foundation in fact, by M. Charles De Lessens before M. Franque-Club and the Supreme Court, which is no doubt and if one morning we read of some really very convenient for the Judges and officers for ible evidence we shall all blame ourselvesof the Court should they wish to refresh them and the police-for neglecting to accept repeated selves at any period of the day. Another has been warnings and endeavour to rid the island of an undesirable visitor.

THE NETHERSOLE HOSPITAL.

In June last, when the scheme for the founding of a new Hospital in connection with the existing Alice Memorial Hospital was submitted those present were Sir James Garrick, Sir Sanl to the Finance Committee of that institution and unuminiously approved by them, we were able by Dr. J. C. Thomson's courtesy to briefly sketch Hongkong, notwithstanding all our groundling, the character of the extension which was contem-"to belong to France or Annam, and, in there seems a strong tendency to leave everything plated. Since that time the work has been to the officials. Take the Sanitary Board, for actively prosecuted and is at the present moment Colonies: Lord Herschell, Lord High Chancellor; Lord Knutsford, late Secretary of State for the Colonies: the Right Hon. R. W. Daff, the in such an advanced stage that a few more words should accept arbitration in the matter is, but the others are nowhere. It would not be may be appropriate, especially as the claims of much use having a Municipal Council if it was the new institution are shortly to be pressed upon Permanent Under Secretary for the Colonies: the public by a musical antertainment of a very attractive kind. In walking along the Bonham Road one may see the new Nethersole Hospital. Municipal Council, that is, a Council in which and though the building is far from complete a federation would be found in the holding of There is no doubt that the opinion expressed by with a nation much weaker than her- there should be a considerable number of official very good idea of the advantages and conveniences of the place can be obtained by inspection. ing their voice heard when occasion required, but when everything was going on well and gottefor.

CHANGE IN THE GERMAN IMPERIAL POLICE BERLIN. 25th February. Emperor William was present at the official nner given list night by Dr. von Boetticher Secretary of the Imporial Home Office and representative of the Chancellor. His majesty Hongkong to be lent out on mortgage or led the conversation which was devoted to the absorbing topic in political circles, the forma more money than usual is coming over at the tion of a great agracian party. Campellor vo n esent time we do not know, but reports! laprivi was the only Minister not present The Emperor in officing the toast to the a sent Chancellor, alluded to him in suc

forms as inspired the conviction that Caprivi

will only be driven from office when the Er peror is forced to succeed before the everwhelming defeat of the imperial policy. Agrarian coalitions, while affecting lovalish preference for the Emperor, practically domina radical change in the imperial policy. The strength of the agitation develope duily and the plot tends to one denominant, the overthrow o Von Caprivi, protection to agricultural interests and return to bimotallism. The leaders coalition already feel powerful enough to declarthat nothing short of a reversal of the whole policy of the Government will content then As the Emperor cannot be expected to assent t the demands, the party aims at the dissolution of he Reichstag at the earliest possible moment. Formidable in itself, the coalition is further fortified by a union with the anti- emities. The Emperor is following the movement with class attention. Prince Bismarck is in closest togel with the agrarian leaders. He responded expressions of devotion sent him from a number of meetings with assurances that he was in full we pathy with the agrarian agitation. The Hamburger Nachrichten, in a series of articles

the leaders of the movement not to abote their attacks upon the Government, and predicts their eventual triumph. GLADSTONE WOKE UP. LONDON, 26th February.

The tide of Gladstone's popularity continue to swell. The by selections, with scarcely exception, show substantial gains for the Govern ment. The feature of the week in Parliamon was the breezy debate Thursday night upon the Welsh Church suspension bill. The occusion was marked by Rundolph Churchill's full recovery of his old form as a great parliamentary fighter and by a splendid oration in raply, delivered on short notice, by Gaulstone. The Tories had artfully put up Churchill at late hour in the belief that the grand old mu would not be allowed by his medical and family alvisors to remain after 10 o'clock, but when at 11.2 bo'clock Lord Randolph sit down the house mons, and which the Home decretary, in moving was electrified to see the aged Premier standing the second reading, admitted was the first step in his place. Husbed, erect and evidently full o fight. The speech which followed was a splandid example of the best style of parliament by all wise people the tenderest lamb that was ary debating power, full of fire, pugnacious, scornful, sarcastic, denunciatory, paraionate and The Paris Figure publishes the ovidence given masterful. The old man, as all could son, was

thoroughly in his element. It was a pleasur ville, the presiding Judge at the recent trials of I to note the enjoyment with which he fore the Panama Canal directors and others, which I tatters the alleged facts and accuments of the showed that M.M. A Paris correspondent of the Times says: he recrudescence of the Panama revelations hows that the systematic plot to hant Clemenean out of public life appears likely to succeed The detectives have concentrated their efforts the search for Actou upon the movements a Viennese music-hall singer, his supposed nistrass. When interviewed, she declared she ad been offered large bribes, but would not etray Arton, with whom she has been in contant communication.

Arton, she said, did not fear arrest, as he was in export linguist and actor, and even travelled and talked with detectives who were searching for him. At the same time she expressed surrise at the anxiety to arrest him, as he possesspapers which would greatly embarrass the authorities.

FEAR CHINESE RETALEMION. NEW YORK, 3rd Much. The House of Bishops at its a ssion yesterday. ternoon unanimously adopted the following

"Resolved. That the House of Bishops desires to place upon record the expression of its deep ensyletion that legislation calculated to bear expressly and harshly upon the Chinese race is not only essentially unjust and in violation of the most venerable traditions of our Government, but also is likely to precipitate antagonism to American citizens residing in China which may lead speedily to the expulsion of all such residents from China and to the ultimate prohibition of the extension of American civilization or any of its benefits to that great empire." committee was appointed to present the resolution to the President of the United States, the Secretary of State and others in authority.

and use all urgency to arrest the execution of the laws to go into effect in May next. PIGHT BETWESK GODDARD AND SMITH. NEW ORLEANS, 3rd March. Joe Goddard occupied Sullivan's corner in the Nympic Club to night and he met Sallivan's fata. Ed Smith of Denver, who was considered ever led to the slaughter, knocked out the Barmer champion in the eight senth round of a victors slogging match, and basides winning the long and of the \$10,000 purm and the \$5,000 stake, sisted the governd impression that he was not game min Smith's victory was extremely aroular. Goddaril did not have many friends n the crowd of 3,000 to bagin with and his foul tactics turned everybody against him. Goddard might make a good rough-and-tamble fighter, but the game he plays is not pugilism in the modern acceptance of the term. Under the Harquis of Queensburry rules he is greatly handicapped by not being allowed to use his testh. As for Smith, he could whip anything that looks like him if he had the other requirements in as great an abandance as he has foxiness. He had the wild, rushing and unscientific Burrier champion properly gaited. He followed a well-planned campaign and landed his game at the end. Goddard showed nearly all the punishment. An inventory of his wounds includes a cut over the left eye and the loss of three of his teeth. Smith had a slightly swollen eye -only that and nothing more. SHE WILL TAKE BICK TO ENGLAND A SMALL

NEW YORK, 3rd March. When Lottie Collins sails for England in a few days she will take home a small fortune with her, as the result of a few weeks' work. She was offered \$20,000 for what she had saved this season, but the offer was laughed at. Miss Collins first received \$500 a week. Her salary was raised a number of times, and for some weeks the has received \$1,000 every Saturday night. The star and her husband live on \$35 a week, and that admits of some profit. "What's in a name !
